

# SHIP SPECIFICATIONS

Pacifica's two coastal ships are specialised container carriers suitable for navigating New Zealand's harbours and ports.

The vessels have a combined capacity to move over 1,600 fully laden TEUs per week.

## *M.V. 'Spirit of Independence'*

Vessel Type	Container Ship
Length/Beam	133 metres/19m
Gross Tonnage	6,701 tonnes
Service Speed	17 knots
Year Built	2005
Draught	5.4m
